SETTLEMENT AGREEMENT AND MUTUAL RELEASE

This Settlement Agreement and Mutual Release (the "Settlement Agreement") is entered into this **9** day of August, 2019 between International Metaphysical Ministry, Inc. and The Paul Leon Masters Living Trust ("Plaintiffs") and Wisdom of the Heart Church d/b/a The University of Metaphysical Sciences ("Defendant"), as well as former party Christine Breese ("Breese"). These parties to the dispute are sometimes collectively referred to herein as the "Parties."

RECITALS

TERMS OF AGREEMENT

In consideration of the mutual promises and covenants contained in this Settlement Agreement, the validity and sufficiency of which are hereby acknowledged, the Parties agree as follows:

5. Mutual Non-Disparagement.

The Parties agree to not disparage one another and to not make any statement about the other's conduct, reputation, or business dealings that is designed to or has the effect of injuring the other's reputation or business interests. The Parties agree and understand that, if either Party breaches this non-disparagement provision, then that Party will be subject to a claim by the other Party or Parties. The Parties further agree that damages that would be sustained by either Party in the event of a breach of this non-disparagement provision would be difficult or impossible to calculate, and thus agree that injunctive relief to prevent further breach of this Settlement Agreement is an appropriate remedy. For elimination of doubt, statements regarding the existence of the Action and the published allegations made in the Action, and/or dissemination of public documents filed in the Action, are not considered disparagement under this Section 5.

This Settlement Agreement shall be governed by the laws of the State of California without giving effect to the choice of law rules thereof.

Settlement Agreement. Should any future lawsuit be brought to enforce the terms of this Settlement
Agreement, the prevailing party shall be awarded their reasonable attorneys' fees and costs, but
only as to the lawsuit, and not as to mediation or any actions preceding the filing of such lawsuit.

IN WITNESS WHEREOF, the parties have caused this Agreement to be executed as of the date first written above.

Re:

International Metaphysical Ministry adv. University of Metaphysical Sciences; Notice of Dispute Under Section 9.1 of the Settlement Agreement

Dear Peter:

I write to advise you of the basis for a potential claim against UMS under Section 9.1 of the Settlement Agreement between our clients:

Section 9.1 The complaining Party must serve the other Party written notice of the basis of any claim 60 days prior to filing suit. The notice may be served by e-mail provided that the party receiving the notice confirms its receipt, by certified mail with return receipt, or by overnight courier service with delivery confirmation requiring a signature. Such notice shall be effective on the date of confirmed receipt. A copy of the notice shall also be provided to the Party's counsel of record in this action.

(Settlement Agreement, at Section 9.1) My client has asked me to prepare this notice and provide it to you, and in order to satisfy the terms of Section 9.1, my client intends to send notice to UMS via Federal Express as well.

BASIS FOR DISPUTE

The University of Metaphysical Sciences (UMS) is in violation of the Mutual Non-Disparagement Clause found at Section 5 of the Settlement Agreement. In pertinent part, that non-disparagement clause states as follows:

5. Mutual Non-Disparagement.

The Parties agree to not disparage one another and to not make any statement about the other's conduct, reputation, or business dealings that is designed to or has the effect of injuring the other's reputation or business interests. The Parties agree and understand that, if either Party breaches this non-disparagement provision, then that Party will be subject to a claim by the other Party or Parties. The Parties further agree that damages that would be sustained by either Party in the event of a breach of this non-disparagement provision would be difficult or impossible to calculate, and thus agree that injunctive relief to prevent further breach of this Settlement Agreement is an appropriate remedy. For elimination of doubt, statements regarding the existence of the Action and the published allegations made in the Action, and/or dissemination of public documents filed in the Action, are not considered disparagement under this Section 5.

(Settlement Agreement, at Section 5.) Specifically, UMS hosts a page on its website that, while it does not mention the University of Metaphysics (UOM), University of Sedona (UOS), or International Metaphysical Ministry (IMM) by name, obviously references these institutions and contains multiple disparaging and false statements about their conduct, reputation, and business dealings that are designed to injure their reputation and business dealings.

The text below is taken from the UMS website available at the following link: https://metaphysicsuniversity.com/university-of-metaphysical-sciences-is-not-in-sedona-arizona/, which is titled "The University of Metaphysical Sciences if NOT in Sedona Arizona:"

University of Metaphysical Sciences is located in Arcata, California, not Sedona, Arizona. When you use the google suggested search "university of metaphysical sciences sedona arizona" or "university of metaphysical sciences sedona" you will not find University of Metaphysical Sciences at the top of the search. You will find a different metaphysics university that is clearly NOT University of Metaphysical Sciences. It has most of the positions on the first page of those searches.

There has (sic) been some unfortunate search machinations on google. We are hoping this confusion will disappear in time, even though no one knows how this started. These search terms never existed before now. Therefore we need to create this page to clear up any confusion that could happen.

Id. While UOM, UOS, or IMM are not mentioned by name, it is obvious this page references them. First, these are the only metaphysics institutions located in Sedona, Arizona. Anyone comparing potential metaphysics institutions would know precisely to whom this page refers.

Second, googling the "google suggested search" terms listed results in the top two results being UOS and UOM. As they likely should be pursuant to Google's algorithm—and through no effort of my clients. Metaphysics is a key word, and Sedona is where they are located. Consider the alternative example: googling "university of metaphysics arcata california" returns ten UMS websites and a UMS ad without a UOM website, and googling "university of sedona arcata

california" returns UMS's facebook page as the top result. This too makes sense; UMS is a metaphysics institution in Arcata, California. Perhaps not coincidentally, the fourth result of that search is the above UMS page that references Sedona; while the Settlement Agreement does not prohibit UMS from using the word "Sedona," in this instance UMS's use is clearly designed to drive traffic to this page.

After establishing UOM, UOS, and IMM as the subject of the page, the UMS page then makes numerous comparative statements about UMS versus UOM, UOS, and IMM that are highly disparaging and downright false:

- A progressive curriculum written in the modern times instead of 50-60 years ago like the curriculum of some other schools. University of Metaphysical Sciences gives credit to all sources of its curriculum materials so students can go to the source of the material, rather than taking material from others without giving credit in the proper places.
- Has a curriculum that fills a large bookshelf rather than a lot of 1-3 page articles being
 called "courses" like some schools are doing. Make sure you are getting an education and
 REAL reference material for your money! University of Metaphysical Sciences courses
 become a reference library you can refer to for the rest of your life.
- Includes powerful and life changing audio meditations included with the written material instead of only written material like some other schools offer.
- There is NO monthly fee you must pay for the rest of your life in order to keep your Bachelors, Masters or PhD degree earned at University of Metaphysical Sciences. Once you earn your degrees, they are yours forever. No further charges are added. Make sure you find out if the school you choose is going to continue to charge you to keep your degree active. Very important to know! Otherwise you are earning a degree you can't keep if it requires a monthly fee for the rest of your life to keep your degree active and acknowledged by the school you earned it from. With University of Metaphysical Sciences you don't have to pay us for the rest of your life to verify your degree if anyone asks. We support you without any further charges once you have your degree.
- We are also adding video lectures to many of our courses which most metaphysical universities do not have
- There is much more interaction between staff and students than most metaphysical schools offer for those who wish to have some extra counseling and help with their growth on their spiritual paths. This is a place for true transformation and awakening. We talk with you if you want to through your exam reports as you go through your journey with University of Metaphysical Sciences.
- There is much more guidance for those who are entering careers as leaders, teachers and healers than offered in most other metaphysical schools. We want you to be successful!

(emphasis in original.) With just a few bullet points, UMS has falsely accused UOM, UOS, and IMM of having an outdated and limited curriculum, plagiarism of that curriculum, charging lifelong monthly fees, only having written material, and providing only limited guidance to students. These statements are absolutely designed not only to disparage UOM, UOS, and IMM,

but to harm their student recruitment efforts to the benefit of UMS. These are very clearly violative of the Mutual Non-Disparagement Clause—there is simply no other way to interpret these statements but as an attack on UOM, UOS, and IMM and their curriculum, reputation, and business practices.

UMS posted this page on February 7, 2020. Which suggests that UMS's post was in "retaliation" to its own prior false allegations that IMM was violating the Settlement Agreement by using prohibited google ad terms. On January 27, 2020, Christine Breese sent an e-mail to Michelle Behr alleging, without evidence beyond her own incorrect suspicion, that UOM/UOS had violated the Settlement Agreement by using "University of Metaphysical Sciences" as a google ad search term for international searches, prohibited by Section 7. That e-mail further demanded that IMM pay google additional money for UMS to become a *negative* search term—something that was never agreed to as part of the settlement.

I investigated UMS's allegations myself and independently reviewed UOM, UOS, and IMM's google ad accounts, including all google ad terms in use at that time. I can attest that none were violative of the Settlement Agreement or referenced UMS in any way. I contacted you via e-mail, but your response was essentially that the issue was to be resolved between UMS and UOM/UOS directly, without the involvement of counsel. The dispute resolution portion of the settlement agreement suggests the parties issue the Section 9.1 notice of dispute, with copy to counsel, but did not mandate the parties address or resolve the issue without counsel. I explained that because Ms. Breese had made false accusations twice at that time, further communications between the parties themselves seemed unproductive:

I agree it would be efficient for our clients to communicate and resolve things, but the allegations back in October and those now both allege IMM is doing things it is not, and the emails now demand something IMM never agreed to do. My client feels that if UMS is going to make more inaccurate allegations in long-winded emails and misinterpret the settlement terms, direct communications would likely be unproductive.

(2/3/20 e-mail.) We did not communicate further. But in any event, IMM clearly denied the alleged wrongdoing and further explained that UMS's demand had no basis in the settlement agreement. Four days later, UMS posted its page with an entire list of disparaging comments that very clearly violate the settlement agreement.

DEMAND

IMM's remedy under Section 5 of the Settlement Agreement is to obtain an injunction prohibiting UMS's disparagement. The parties further agreed to stipulate that damages need not be proven to obtain an injunction:

The Parties agree and understand that, if either Party breaches this non-disparagement provision, then that Party will be subject to a claim by the other Party or Parties. The Parties further agree that damages that would be sustained by either Party in the event of a

breach of this non-disparagement provision would be difficult or impossible to calculate, and thus agree that injunctive relief to prevent further breach of this Settlement Agreement is an appropriate remedy.

Pursuant to Section 9(a), prior to filing for an injunction, IMM has to send a Dispute Notice—this letter will constitute that notice—and allow 60 days to resolve the dispute before having the option to file suit. Alternatively, under Section 9(b) IMM also has the option to demand mandatory mediation before a JAMS mediator in San Francisco.

At this point, IMM just wants what UMS stated it wanted at the settlement conference—to peacefully coexist. I can certify to you after my own two investigations that IMM is not violating the agreement via google ads as Ms. Breese has twice alleged. But in apparent retaliation for a non-existent violation, UMS is quite obviously and publicly violating Section 5 of the agreement. For now, IMM does not want to spend the time, money, and effort on a lawsuit or mandatory mediation, but IMM is willing to do so if the violations persist.

All that IMM wants for now is that UMS take down the page with the defamatory statements. IMM demands that the page be removed on or before Friday, October 16, 2020. If the page remains up after that date, IMM may either demand mandatory mediation, or just wait until the 60 days from this notice has elapsed and file suit.

Should you wish to discuss the above, please do not hesitate to contact me.

Sincerely,

The Law Office of Christopher Goodman PLC

Christopher M. Goodman

We have hundreds of reviews people have given about University of Metaphysical Sciences, here are a couple:

"I have been an online adult educator for well over 10 years. I went to a different university to get my PhD. Now they want \$60 a year to keep my PhD... In looking over the material that you get- well over 80 courses- there is a TON more content at University of Metaphysical Sciences. I am enrolling this January and I am a "difficult" consumer to make happy. I feel like the tuition price and payment plans are more than reasonable. It's obvious that the founder was more interested in distributing quality information over making a ton of money. I highly recommend this university for your metaphysical educational needs." — Dawn Moreno, Facebook Reviews

"The University of Metaphysical Sciences has a great program. I am almost finished with my bachelor degree. I will start my masters. I am learning a lot and there are a lot of different modalities that are very educational. I find this very helpful since I am into alternative health and spiritual mind therapy. The staff are very helpful. If you want to enroll in a metaphysical degree. This school is the best. I had looked at other schools and I found UMS to have the best program tailored to fit my needs." — Marie H., Yelp Reviews

"I found the meditations in the program to be particular useful. I have been meditating for years but the University of Metaphysical Sciences meditations were very powerful. Some of them I have used over and over again, to release layers as they came to the surface... The staff at University of Metaphysical Sciences have been very helpful. The few questions I had where dealt with quickly and efficiently... I spend more time meditating than I did before which puts me in a very pleasant frame of mind. Basically I'm just more relaxed and peaceful and my children have picked up on it." — Ruth, University of Metaphysical Sciences Graduate, Metaphysics University Reviews

"Attending University of Metaphysical Sciences has been a great decision. The education process of this discipline is on going but the time that I have spent with the courses has expanded me to the point that I have spiritual clarity that once illuded me. In fact I have grown to have spiritual clarity that I had no idea was available to me. On the other hand it has allowed me to be a healer beyond my physical skills. I don't seek people to help but people find me. It is that way when you get out of THE way. The staff at UMS is loving and professional." — Kevin C. ODunn, Google Reviews

Again, we reiterate, University of Metaphysical Sciences is NOT in Sedona Arizona. University of Metaphysical Sciences is in Arcata, California. The google suggested search terms "university of metaphysical sciences sedona" and university of metaphysical sciences sedona arizona" are misleading suggested search terms. We are working on clearing up this confusion in the market with Google.

Chuck Harris just updated a review

Hi Michelle,

Chuck Harris has updated their 1-star review of University Of Metaphysics:

I enrolled in University of Metaphysics too quick and perhaps that was my fault. I got the material and it seemed to be all written by one guy, Paul Leon Masters. I read through all the materials for the Bachelor and Masters program in about a 2 days. It was mostly New Thought stuff that seemed a little more than similar Ernest Holmes "The Science of Mind". Frankly, I was a bit annoyed so I started looking around. I found another school that was way better called the University of Metaphysical Sciences. Just one of their courses had more than the entire UOM program! I learned all kinds of cool new stuff that complimented what I already knew including how to develop psychic abilities. UOM had none of that. And all for basically the same price! The people at UOM were nice enough, but they

wouldn't give me my money back. I decided to go to UMS anyway. What I wanted was to really learn a lot about metaphysics and get ordained so I can do weddings. You can get ordained at both, but there is nothing special about that since you can do that for free online. However, UMS was incredible. I got a lot of support and guidance including instruction on astral travel, channeling, healing and all sorts of deep deep esoteric knowledge. UOM isn't bad, its just really thin and you have to pay dues every year for life which is weird. You could just read "Science" of Mind" for free online or do some positive thinking and that is basically the whole program. Go here instead: metaphysicsuniversity.com This is my opinion and I don't work for anyone. Just trying to save y'all some time.--Chuck Harris
